Memorandum of Understanding (MOU) between Ramjee (Degree) Mahavidyalaya, Bhismagiri, Ganjam & S. K. Roy College, Katlicherra Hailakandi, Assam for Academic Collaboration .

Introduction:

One of the important core missions of the B-schools is to prepare the students to meet the contemporary business challenges and compete in the global economy. To achieve this, students are required to draw advantage from the best resources available in the institutions. In this context, it is felt necessary to develop academic collaboration between universities and institutions. Academic collaboration programs between the universities and institutions are aimed at meeting the rapidly growing educational needs by leveraging mutual capabilities. These collaboration programs contribute to that goal by giving students and faculty members a higher perspective and better exposure in the area of management education.

With this backdrop, Ramjee (Degree) Mahavidyalaya, Bhismagiri, Ganjam agrees to enter in to an MOU with S. K. Roy College, Katlicherra Hailakandi, Assam and the same will cover the following:

1. Exchange of teaching assignments:

There will be faculty exchange between two institutions. The faculty members will prepare necessary lesson plans and incorporate pedagogical tools and other inputs like case studies, Industrial Experiences etc., which will be discussed in the faculty councils of other institute before commencement of the sessions. The session plan will be finalized and the same will be approved by respective HOD/ Dean/Director/Principal. Besides, the faculty members of the partner institutions will share teaching assignments depending upon the requirements.

2. Research and Consultancy Collaboration:

Faculty members of both the institutions will collaborate for joint research programs and apply for approval of projects under various schemes offered by the central and state government. The resources will be shared between the two institutions and will aim at developing qualitative and quantitative research works. It will be a rich learning experience for the faculty members and go a long way in enhancing their proficiency in research. It will also be of immense benefit for the industries in addressing their day today issues.
